Tiger Lily Press is a fine art printmaking studio space located in West Price Hill. Our mission is to produce, preserve and promote the art of printmaking in the Cincinnati area. We have press facilities and offer classes for etching, lithography, letterpress, screenprinting, and more. Established in 1978 through a grant at the downtown YWCA, Tiger Lily has been in many locations around the city but has always provided "A Place to Print" for emerging and professional artists for almost 40 years.
